Parties:

Under "Gavilan Neighborhood Association" add the following

Parties invited but not in attendance:
North Fourth Camino Real Merchants Association
North Valley Coalition

Comments:

Add a second comment as follows:

The facilitator received information from ONC that recognized and non-recognized are terms of art for the ONC. Per the ONC the correct classification for Gavilan was that they were not listed on the ONC Official Neighborhood List. The intent of the facilitator's comment was that Gavilan will work with ONC to obtain the appropriate status on the ONC Official Neighborhood List, thereby ensuring they receive notification in the future.
